

We have been going to South Africa and Zambia since 2011. We always enjoy the overwhelming luxuriousness of the hotels and resorts in South Africa and Zambia

Take in breathtaking views of cosmopolitan Cape Town from soaring Table Mountain, opt to stroll the gorgeous Victoria & Alfred Waterfront, and see the brightly colored houses of the traditional Cape Malay community at Bo Kaap.

Southern Africa's staggering natural beauty and awe-inspiring wildlife will touch your soul in surprising and unforgettable ways. On this bestselling safari through the Kruger area, you'll come face-to-face with lions, elephants, leopards, zebras, cheetahs and other creatures during sunrise and sunset game drives.

Explore the Cape, meet friendly penguins and more with your private guide. Then enjoy time at leisure and choose from an endless array of activities in the Mother City. You'll stay at

stylish city hotels in the heart of Cape Town's vibrant entertainment district and traditional safari lodges in the Kruger area.

Our visit to the Cape Town area includes a day in Cape Winelands to enjoy wine tastings of some of the more popular and famous South Africa wines.

Expert guides will uncover the stories behind the sites, and when it comes time to discovering South Africa's wild heart and Victoria Falls' natural wonder, your guides will take you closer to the action than you ever imagined possible.

The Royal Livingstone where you stay in Zambia allows you to embrace the explorer life in your lovely accommodations with Indigenous design accents complemented by modern amenities and discreet butler services which is the icing on the cake. You will not want to leave. A short ride or walk to the spectacular Victoria Falls and the lovely sunset sailing on the Zambezi River will leave you wanting to come back to Zambia again and again.
