

Leave your cares behind. Visit sun-kissed shores and vibrant cities from Sydney to Auckland. Milford Sound's movie-star waterfalls and Napier's wines are two of many highlights.

Your journey sails from Sydney, Australia on February 27, 2028. The return is from Auckland, New Zealand on March 12, 2028. This great adventure includes incredible natural scenery; great people who are thrilled that you have come. With stops in Melbourne and Hobart before sailing to multiple stops in New Zealand. And of course, there are kangaroos. The famous Māori Tribe will share their life with us on one of the New Zealand stops.
