STEP INTO ANCIENT EGYPT

Immerse yourself in the past by exploring a vast collection of artifacts and visiting iconic landmarks. Travel the streets of Cairo by motor coach and arrive at the **Grand Egyptian Museum**. This state-of-the-art facility hosts over 100,000 artifacts and is the largest archaeological museum in the world. Discover ancient Egypt's legacy with your guide, learning about the rise of society and royals, construction of the pyramids, and military conquests. Step into the past as you walk through King Tut's tomb collection. After, explore on your own, perhaps enjoying lunch at the on-site restaurant before driving to the Giza Plateau. See the Pyramids of Khafre and Menkaure and the imposing Great Pyramid of Khufu, the last of the Seven Wonders of the Ancient World. View the Abu al-Hol, the Great Sphinx of Giza, built to guard the tombs and ward off raiders and enemies of the pharaohs.
