

International Black Theatre Festival

July 30 - August 2, 2026 Winston-Salem, NC

This exciting event happens every other year and attracts tens of thousands of people from all over the world. We have been going for many years, and it always succeeds in showing our members a great time.

There are performances every night and often a matinee as well. There are late night Comedy Shows with hysterical, sometimes raunchy comedians.

We will arrive on Thursday to see performances of our own choice. We will also enjoy the huge African Marketplace with great ethnic art,

jewelry and more at the Convention Center which is just across the street from our hotel.
