

I sent out a survey to learn more about where my members want to go. Two of the most popular destinations were South Africa and Dubai. This trip combines both of these outstanding locations.

We begin in Cape Town, South Africa. For five nights we stay at the famous Victoria and Alfred Hotel located on the upscale Waterfront area. The location is outstanding with lots of shopping and restaurants located steps away.

Our time in the Cape Town area includes visits to Table Mountain and Kirstenbosch Botanical Gardens. You will also take the ferry to Robben

Island where Nelson Mandela was in a prison for more than 20 years. The tour is unforgettable.

Your full day tour to Cape Winelands will include time to visit a winery and have tastings of their wonderful local wines.

After Cape Town you will be flying to Hoedspruit, which gives access to the Kruger National Park. Now it is time for your Safari. Your group will again be staying at the Kapama Game Reserve. They do luxury very well and this is always the most exciting part of the trip.

Then you will be off to explore Johannesburg. This leg of your journey will include Soweto and the Apartheid Museum. Lots of history to be found in Johannesburg. Staying at the DaVinci Hotel on Mandela Square is an amazing experience in and of itself.

The final stop in Africa will be the country of Zambia. This country is the home of Victoria Falls, one of the Wonders of the World. After seeing the Victoria Falls, my favorite experience here is the lovely sail on the African Queen on the Zambezi River. It is such a lovely farewell to our visit to Africa.

We then fly to Dubai, called, “The Pearl of the Arabian Gulf”. We have planned a full day Traditional and Modern Dubai Tour. You will spend time at Dubai Mall and get a photo stop at Burj Khalifah, the world’s tallest tower.

While Dubai is famous for being a wealthy country, please notice the amazing architecture, it is spectacular. While the Leaning Tower in Italy is fun to see, Dubai has tower that leans more. The Gold Souk is a shopping experience that is delightful. This is the best place to buy gold, bar none. Our hotel is the Sheraton Hotel at the Mall of the Emirates, and it is stunning.

Lots of meals and tours are included in this tour and the attached Full Itinerary will have all of that information. The Cancellation Policy is also included on the attached document. This is a huge trip, covers a lot and takes 17 days. But it will be a trip of a lifetime that you will be so glad you took.
